

Edit or Delete a Priority

Last Modified on 10/01/2019 3:04 pm EDT

To edit or delete a priority:

1. Click **Settings** >  **Priority**.
2. Click a priority in the pane to the left to select it.
3. To edit the priority, make your changes to any of the fields as needed.
4. To delete the priority, click the  icon to delete the priority, then click **Yes** to confirm.
