

Leave a Conversation

Last Modified on 08/05/2020 4:35 pm EDT

You can leave a dispatch-related conversation, however, until the task has cleared, the conversation will remain open and can be accessed through the **Actions** section from **Tasks** or from the **Dispatch** tab in **Messages**.

If needed, you can rejoin a conversation by accepting an invitation from a conversation participant.

To leave a conversation:

1. Tap **Messages** from the dashboard.
2. Open a conversation:
 - To select a dispatch-related conversation, tap the **Dispatch** tab, then tap the conversation you want to view; or
 - To select a conversation unrelated to a dispatch, tap the **Messages** tab, then tap the conversation you want to view.
3. Tap **Details > Leave**.
