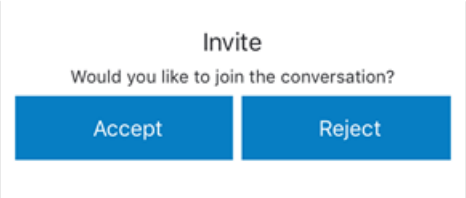
Accept or Reject an Invitation

Last Modified on 08/05/2020 4:36 pm EDT

Invitations to new conversations appear in **orange** with a **Conversation Invite** message in the **Messages** section. Note that rejecting an invitation does not prevent additional invitations from being sent.

To accept or reject an invitation to join a conversation:

1. Tap **Messages** from the dashboard.
2. Tap the **Messages** tab.
3. Tap the conversation invitation.
4. Tap **Accept** to join the conversation or **Reject** to reject the invitation.



The Invite screen.
