While policies in the **Under Revision** or **Overdue** workflow state will appear in the [My Tasks](#) page, policy owners can access any assigned policy, including those in the **Active** state, in the **Policies** tab of the [Portal](#). This activity contains two sections:

- **My Policies:** A summary report of all the policies that have been assigned to the policy owner; and
- **Policy Listing:** A list of all policies assigned to the policy owner.
