

Version 23.2ab Release Notes (Internal Audit Management)

Last Modified on 10/23/2023 10:37 am EDT

Improvements

- Fixed a typo in the IA – Issues Review email template within the Internal Audits application.
- Colored cells in the Control – IA – Testing Working Paper form has been changed to ovals.
- We rearranged the view order in the Fieldwork Activity, moving Audits in Progress before Audit Project Dashboard.
