

Opening a Corrective Action

Last Modified on 07/10/2024 1:58 pm EDT

Overview

After a corrective action is added to an issue, a user will need to fill out further details for that corrective action and open the corrective action.

Related Information/Setup

Please refer to the [Creating a New Corrective Action](#) article for further information on creating a new corrective action.

Please refer to the [Submitting a Corrective Action for Review](#) for further information on sending a corrective action for review.
