

Starting a Risk Assessment

Last Modified on 09/16/2024 9:36 am EDT

Overview

After a Risk and Control owner has been assigned to an assessment, and all risks and controls have been sent out to the assigned owners a member of the Risk Team can launch the risk assessment.

User Account Requirements

The user account you use to log into Resolver must be part of the Risk Team user group to launch a risk assessment.

Related Information/Setup

Please see the [Assigning Control Owners](#) article for information on how to assign a control owner to a risk assessment.

Please see the [Assigning Risk Owners](#) article for information on how to assign a risk owner to a risk assessment.

Please see the [Sending Risk and Control Assessments to all Assigned Owners](#) article for information on how to send out all risk and control assessments at one time.
