Indoor Location Point Link

3. An image of the Indoor Location will appear over the Map.

The screenshot shows the 'Schedule Dispatch - Main Zone' window in the Resolver software. The sidebar on the left contains a search bar and a list of dispatches, including 'New Dispatch' and 'Patrol - Door Check'. The main area contains a form for creating a new dispatch, including fields for location, start/end times, recurrence, and a map of the Kibum Building. A teal pin is visible on the map.

Indoor Location

- Click the Teal pin(s) to open an indoor location.

Teal Pin

- Double-click the image to place a Temporary pin to select the indoor location and indicate the exact location of the dispatch.

Temporary Pin

- Temporary pins appear as a Red pin icon for dispatchers when viewing the indoor location through the **Map** panel (the color of the icon is determined by the dispatch's priority color, if any).
